YSO110TR

CMOS oscillator

Brand
YXC

Package
4P SMD Customized

Catalog specifications

Frequency range	**1–125 MHz**
Supply voltage	**1.8–3.3 V**
Tolerance	**±10,20 ppm**
Operating temperature	**-40–+85 °C**

Engineering enquiries

For test conditions, drawings or ordering options, request the manufacturer document for your exact part number.
